

J.R. Demos & Merchandising Start-Up Information for Superfridge Program

We (J.R. Demos & Merchandising) are the Field Service Company (FSC) which helps to hire representatives for the Superfridge Merchandising Program. If you are contacted by our Superfridge client, please follow-up with us (JRDM) so we can support you, as our employee, with the situation.

Office Hours | Monday through Friday, 9 a.m. to 4:30 p.m. EST

We can help with:

- **Pay** – Pay is every other week; however, your first payment/deposit could take up to three weeks to receive depending on your start date within the pay cycle. Once first deposit is received, pay will land on every other Friday.
- **Reporting Issues** – Before tapping Submit on a report, please contact us regarding any data reporting questions. We can help clarify just about every concern. This reporting system is critical to Superfridge and we strive to provide an accurate depiction from submitted unit reports.
- **Poster (POS) Packet** – Approximately 7 days prior to each “slot,” you will receive a package by FedEx with posters, riser cards, and instructions for the upcoming promotion. If you do not receive this “POS Packet” within 7 days of the next promotion, please call us (513-242-6700)...and leave a voicemail even if outside of our normal business hours – we’ll get your message relayed to Superfridge.
- **Just not sure about something else? Please contact us, we’re here to help!**
